## Conditions of Application/Enrolment

**Please read carefully – Applicants should keep a copy of this form and a signed copy must be lodged with the College.**

I understand the following conditions apply to my application and enrolment as outlined on the Letter of Offer and Acceptance. Please note that additional information on any of these matters can be obtained from the International Office (details below).

- 1. Bond**  
A\$500 refundable bond (not applicable for Certificate IV and Diploma of Commerce courses) is required by the Department of Education and Training and must be paid with course fees prior to enrolment.  
The Bond, minus any monies owing to the College, will be refunded on completion of the course.
- 2. Course fee**  
Course fees and Overseas Student Health Cover (OSHC) are to be paid at least one month prior to the commencement date of the course. All payments are to be made in Australian dollars and payable to the College. The electronic Confirmation of Enrolment (eCoE) will then be issued and visa procedures may be completed.  
Late payment of fees – A\$200 penalty fee applies to any fees received two weeks after the due payment date.  
Course commencement may be denied if required fees are not paid.
- 3. Orientation Program**  
Attendance at this program is compulsory for all new students from overseas. For students who have previously studied in Australia, attendance is optional but highly recommended. The cost is included in the course fee.
- 4. Accommodation**  
The College will provide accommodation at the designated venue during the orientation program and will assist students in finding suitable accommodation for the remaining enrolment period.
- 5. Excursion Permission**  
The student may attend any excursion organised and approved by College staff as part of the Orientation, teaching/learning or recreation programs. For students under 18 years of age, a permission form must be signed by the parent(s), guardian or carer.
- 6. Termination of Study**  
Failure to abide by the College's and / or Government regulations may result in termination of enrolment.
- 7. Under 18 aged students.**  
For the care and well-being of students, they are required to adhere to the College's policy and procedures for students under 18 years of age.
- 8. Grievances**  
Policy and procedure documents are issued during Orientation and are available on the College website.  
If grievances cannot be resolved internally and where disputes may require a negotiated settlement, the student can access the Conciliator, appointed by the Western Australian government. This agreement does not remove the right of the student to take action under Australian consumer protection laws.
- 9. School-Aged Dependants**  
Students with school-aged dependants (children) are required to pay full fees (ranging from about A\$6000 to A\$18000 per year) if they are enrolled in non-government or government schools.
- 10. Personal Information**  
As a registered provider, the College is required to provide certain information about students to various government departments in accordance with the requirements of the ESOS Act. Such departments include Department of Immigration and Medibank Private where information regarding enrolment changes and breaches of attendance/academic performance requirements must be reported as required in the ESOS Act. Students are required to notify the College of any change of address or contact details.
- 11. Application Information**  
Information presented with an application must be true and correct. An enrolment may be terminated if incorrect information is provided.
- 12. Urgent Medical Care**  
In the event of circumstances requiring urgent medical care and it is not possible to contact the parent/guardian, the College is authorised to seek and provide appropriate medical treatment.
